## **ANNUAL BOARD PERFORMANCE ASSESSMENT**

### **POLICY AND PROCEDURES**

San Miguel Food and Beverage, Inc. (formerly San Miguel Pure Foods Company Inc., the “Company”) recognizes that in order to sustain good corporate governance within the organization, the same sound culture must be upheld and cultivated from the top. It is therefore of paramount importance to monitor the governance structure and performance of the Board and top management according to their roles, responsibilities and accountabilities.

Since the year 2011, it has been a policy and practice of the Company for its Board of Directors (“Board”) to conduct an annual self-assessment exercise through a questionnaire given to each director, for the purpose of evaluating and improving the performance of the Board in accordance with the best practices in corporate governance, and the effectiveness of the Company’s governance processes.

The Company continually reviews this assessment process to take into consideration leading practices in corporate governance. The attached self-rating form now covers appraisal of the Board as a governing unit, of individual directors, of the different Board Committees, as well as of management including the President.

#### **Criteria and Process**

The assessment criteria include the structure, efficiency, and effectiveness of the Board, participation and engagement of each member of the Board, contribution of each member director to their respective Committees, and the performance of management. The criteria also reflects the specific duties, responsibilities and accountabilities of each party assessed as provided in the Company’s By-Laws, Manual on Corporate Governance, Board Committee Charters and governing policies.

The following rating system shall be used by the directors in accomplishing the self-rating form:

- E : Excellent**
- G : Good**
- VS : Very Satisfactory**
- S : Satisfactory**
- NI : Needs Improvement**

The form also allows the director to provide comments and suggestions to further enrich the assessment process. For further clarification on this policy and the performance assessment exercise, the Board may address their queries to the Compliance Officer.

Facilitated by the Compliance Officer, the annual self-rating form shall be accomplished and signed by each individual director. The Compliance Officer shall collate the accomplished forms thereafter.

The Compliance Officer may amend the self-rating form as deemed necessary, provided that the same shall be compliant with sound corporate governance standards and practices and applicable law.
